

Instruction to Proposal Reviewers

I have just received a proposal for a review for Evidence Base. Could you please look over it and complete the form below. Based on the feedback from each of you I may summarise the responses and ask for another round of input.

- Overall Assessment:
 - Accept as is
 - Accept subject to revisions
 - Revise and resubmit
 - Reject

- Is this topic of sufficient interest to public sector managers?
- Does there appear to be sufficient empirical material to justify an evidence review?
- Is the author qualified to write this review?
- Other comments that you think the Editorial Board need to consider
- Feedback to AUTHOR
- Comments to help the author develop the proposal further.
